December 11, 2019

CAMBRIDGE, Mass., Dec. 10, 2019 /PRNewswire/ -- For the third time in four years, Forrester Research, Inc. (Nasdaq: FORR) has been honored with a Glassdoor Employees' Choice Award, recognizing the Best Places to Work in 2020. The Employees' Choice Awards program is based solely on the input of employees, who provide feedback on their jobs, work environments, and companies on Glassdoor, one of the world's largest job and recruiting sites.

"Our people are the beating heart of the Forrester experience and the best, most authentic ambassadors for the brand. They celebrate what we do well and challenge us on where we could do better," said Forrester Chairman and Chief Executive Officer George F. Colony. "I am incredibly proud of our employees' continued passion for our culture and their commitment to our clients."

Glassdoor's Best Places to Work were determined using company reviews shared by US-based employees between October 23, 2018, and October 21, 2019. To be considered for the US large category, a company must have had 1,000 or more employees and have received at least 75 ratings across each of the eight workplace attributes from US-based employees during the period of eligibility. The final list is compiled using Glassdoor's proprietary algorithm, led by its Economic Research Team, and takes into account quantity, quality, and consistency of reviews.
