

# Forrester Research Reports 2024 Second-Quarter Financial Results

July 30, 2024

CAMBRIDGE, Mass.--(BUSINESS WIRE)--Jul. 30, 2024-- Forrester Research, Inc. (Nasdaq: FORR) today announced financial results for the second quarter ended June 30, 2024, with contract value (CV) at \$323.0 million, down 3% compared with the prior year.

"We are pleased with the progress we made this quarter with our product migration, and we are on track to hit our target of 80% of CV on the Forrester Decisions platform by year-end. CV metrics continue to stabilize, we have added significant enhancements to the platform, and retention shows improvement from the prior quarter," said CEO and Chairman George F. Colony. "That said, our non-CV businesses, consulting and events, had a challenging quarter, which caused us to lower 2024 guidance. We are focused on stabilizing those businesses and are increasingly confident of returning to CV growth by the end of the year."
