

## Forrester Honored as One of the Best Places to Work in 2017, a Glassdoor Employees' Choice Award

December 7, 2016

CAMBRIDGE, Mass.--(BUSINESS WIRE)--Dec. 7, 2016-- Forrester has been named one of the 50 Best Places to Work in the US in 2017 as recognized by the [Glassdoor Employees' Choice Awards](#). Forrester was ranked 18th on the Glassdoor list. The award, now in its ninth year, relies solely on the feedback of employees.

"Through their passion and energy, our employees are continuously evolving our amazing culture," said Forrester Chairman and Chief Executive Officer George F. Colony. "New employees strengthen our workplace by bringing fresh ideas, perspectives, and an intellectual curiosity that is the foundation of the Forrester employee experience. I am incredibly proud and grateful for all that our employees have achieved through their commitment and collaboration."

The Best Places to Work are determined using company reviews shared by US-based employees between November 2, 2015, and October 30, 2016. To be considered for the "Large" category, a company must have 1,000 or more employees and have received at least 75 company reviews from US-based employees during the period of eligibility. The final list is compiled based on Glassdoor's proprietary algorithm and takes into account quantity, quality, and consistency of reviews.
