

## **Forrester Research To Broadcast Its Fourth-Quarter and Full Year Earnings Conference Call**

January 27, 2017

CAMBRIDGE, Mass., Jan. 27, 2017 /PRNewswire/ -- Forrester Research, Inc. (Nasdaq: FORR) will broadcast its fourth-quarter and full year conference call at 4:30 p.m. Eastern time on Wednesday, February 8, 2017.

The call will be available at [forrester.com](http://forrester.com). Investors who want to hear the call should log on at least 15 minutes prior to the broadcast. Participants may preregister for the call at <http://bit.ly/2kCClbV>.

Instructions are provided to ensure that the necessary audio applications are downloaded and installed. Users can obtain these programs at no charge. For those who cannot access the live broadcast, a replay will be available on Forrester's website.

### **About Forrester Research**

Forrester Research (Nasdaq: FORR) is a global research and advisory firm serving professionals in 13 key roles across three distinct client segments. Our clients face progressively complex business and technology decisions every day. To help them understand, strategize, and act upon opportunities brought by change, Forrester provides proprietary research, consumer and business data, custom consulting, events and online communities, and peer-to-peer executive programs. We guide leaders in business technology, marketing and strategy, and the technology industry through independent fact-based insight, ensuring their business success today and tomorrow.
