Explanation of Responses:

- The Form 4 has been amended to reflect a correction to the Transaction Date and a corresponding change to the Expiration Date. The Transaction Date was incorrectly noted on the original Form 4 as 1/1/2007. Because the markets were closed on the Transaction Date due to the death of former President Ford, the exercise price was calculated based on the closing fair market value of the issuer's common stock on the next business day, January 3, 2007.
- The Options become exercisable in four equal installments on the first, second, third, and fourth anniversaries of the grant date.
